

# IAMCP 会员注册中文指南

IAMCP 会员注册统一在 IAMCP 全球网站上完成，IAMCP 全球网站为英文。  
来自中国区的合作伙伴可参考本指南完成注册。

## 第 1 步：

点击“注册”后，您将来到 IAMCP 全球网站开始注册流程。在此页，您需要选择会员类型，请勾选“China ( 中国 )”，然后点击页面下方的“CONTINUE ( 继续 )”

The screenshot shows the IAMCP website registration page. The header includes social media links, navigation links (Contact Us, Join IAMCP, Sign In), and a search bar. The main content area is titled "Select Your Member Type 选择您的会员类型". It provides instructions on how to choose a local chapter and lists two payment options: "One-Step Membership" and "Bill Me". Below the payment options, there is a list of countries with radio buttons for selection. The "China" option is highlighted with a red box and a red arrow pointing to it, with the text "中国 请勾选此项" next to it.

Join the IAMCP today!

Choose your local chapter from the list below. If you do not see a local chapter, you can join the International At Large chapter.

If you are joining under the [free Network Membership EMEA/APAC](#), please select this option from the bulleted list below.

For standard IAMCP memberships, there are two ways to pay for your membership:

- One-Step Membership:** For immediate membership benefit activation and website access, use your credit card (membership prices are listed in US Dollars\*).
- Bill Me:** You may choose to pay in your local currency through your local IAMCP Chapter Administrator. When you select this option, you will be sent an invoice and website access and member benefits will be activated upon receipt of payment.

**\*US Partners use US-only registration.**

**\*All membership payments are processed in US Dollars at the exchange rate prevailing at the time of payment. For this reason there may be slight variations in the actual amount you are debited and that shows on your credit card statement. IAMCP is a global membership organization, but for operational reasons we can only have one main account in the USA.**

If you are concerned about the payment process or the actual amount you are likely to be debited, please contact your local chapter. Other local payment options are available if you do not want to pay by credit card. Invoicing in local currency is an option available to you if you so wish.
